You Deserve the “Dang!” Factor: DIVORCE ATTORNEY AND LIFE ADVISOR SHARES SECRETS FOR FINDING AND KEEPING TRUE, LASTING LOVE

Throughout her twenty years of counseling and advising couples as a divorce attorney, Michelle Afont has learned a thing or two about what makes a marriage break and, of course, what it takes to keep one together. They are lessons she knows well, not just on a professional level, but on a personal one, too. Afont was once on the other side of the table, divorcing from a loveless marriage and starting all over. What she wants women to know now is: *there is a deeply fulfilling life and love on the other side.*

Combining her personal and professional experiences with over four thousand interviews with men and women across the country on the topics of relationships, betrayal, sex, and commitment, Afont penned her breakthrough new guide, *The Dang Factor: A No-Nonsense Lesson on Life and Love*, and the accompanying man’s guide, *The Dude Factor*.

“I truly breath what I bitch,” Afont says with her signature transparency and humor. “I have been the woman in the unhappy relationship, the divorcee, the woman on the dating scene, and the woman who overcame each challenge to find my best self, my best life, and my very own ‘Dang Factor,’ and I’m determined to help other women do the same.”

In an empowering, upbeat, and informative interview, Afont can discuss:

- What the “Dang Factor” is and how to find it
- Why an easy marriage isn’t necessarily a *good* marriage, and why successful relationships take work
- Lessons on leaving: How to leave a relationship with dignity
- How to mentally reframe a breakup as a “do-over” and a positive change in life
- Her best advice for dating – especially online dating
- The categories of love and what makes them each different
- What the pivotal moment was that prompted her to turn her life around
- And much more!

Michelle Afont has been a divorce attorney for over twenty years. In addition to her work in the legal field, she has also served as a life advisor, helping others to take the necessary steps to live their best lives. In addition to *The Dang Factor*, Afont is also the author of *The Dude Factor* and *The Profile Factor*, and is an available speaker.
